

McSteen

Job Listing: Survey Draftsman

McSteen is seeking a **Survey Draftsman** in **Wickliffe, Ohio!**

This position is an in office role using Autodesk and Carlson to draw ALTA, Boundary and Topographic Surveys as a member of our drafting and survey team.

As a member of our drafting department, you will be working along-side our team of surveying professionals who are both dedicated and appreciated. We pride ourselves on the quality of our work . covering the State of Ohio without the use of subcontractors . preferring the expertise and professionalism of our own staff.

We offer a great work environment. Perks you would enjoy while working here as a full-time employee include:

- Flexible work schedules
- Competitive pay
- Benefits
- Participation in annual bonus pool

Requirements:

- 2+ years of survey drafting experience
- Works well in teams
- Eager to learn and dedicated to the job
- Detail oriented
- Strong math/computational skills

If you are looking for a career and not merely a job – where your ideas are valued and you can make a difference – we are looking for you! We have a great retention rate due to our flexible work environment and the comradery amongst our staff.

We are an equal opportunity employer and value diversity at our company. We do not discriminate on the basis of race, religion, color, national origin, gender, sexual orientation, age, marital status, veteran status, or disability status.
