

McSteen is hiring! We are looking to add a **Survey Technician** to our team in the **Cleveland, Ohio** area to help manage our growing business. Our intent is to employ a motivated individual who is self-starting, dedicated, and able to work independently, with the proper support and guidance from our existing staff.

This individual will be responsible for the project management of Boundary Surveys, Lot Splits, ATLAS, Topographic Surveys, Utility Location, and Construction Staking. This role requires strong communication to work with field crews, draftsmen, and survey team. In addition, this role will be required to review both completed field work and process and review final surveys, and in some occasions require to work as a one person field crew outdoors and as an AutoCAD draftsmen.

You will be training and working along-side our team of surveying professionals who are both dedicated and appreciated. We pride ourselves on the quality of our work – covering the State of Ohio without the use of subcontractors – preferring the expertise and professionalism of our own staff.

We offer a great work environment. Perks you would enjoy while working here include:

- Participation in annual bonus pool
- Flexible work schedules
- Competitive pay
- Benefits (401k Matching, Medical, and HSA)

Requirements:

- 1-3 Years of working in and understanding Boundary Surveys, ATLAS, Topographic Surveys, and Construction Staking
- 1-3 Years of AutoCAD/Carlson drafting experience
- Strong communications, math/computational (written and verbal) skills
- Eager to learn and dedicated to the job
- Works well with others and in a team environment

If you are looking for a career and not merely a job – where your ideas are valued and you can make a difference – we are looking for you! We have a great retention rate due to our flexible work environment and the comradery amongst our staff.

We are an equal opportunity employer and value diversity at our company. We do not discriminate on the basis of race, religion, color, national origin, gender, sexual orientation, age, marital status, veteran status, or disability status.
